## ABOUT ME

I have 20 years of experience in web development. I have been working as a freelancer for 10 years, teaching me self-reliance and problem solving. I'd like to change and develop further to be a useful member of a corporate team where I can learn about new technologies which are related to teamwork.

“ Be liberal in what you accept, and conservative in what you send.

## SOME OF MY WORKS

### Real estate portal

#### ingatlanomeladom.hu

The website allows private persons to post and manage real estate ads.

#### My role:

- Complete desing and developing
- Webdesign, program and database design
- Frontend and backend implementation

#### Technologies

Laravel, jQuery, javascript, Google Maps Geocoding API

#### Challenge:

- My first work with Laravel framework
- The image uploading using javascript file reader adding more or deleting photos and resizing before uploading to the server

#### Sourcecode:

<https://github.com/LizaSzau/IngatlanomEladom>

### Filmdatabase website

#### sfilm.hu

The webpage gives information about films and series using IMDb API.

#### My role:

- Processing referrer links according to certain criteria.
- Fixing some bugs.

#### Technologies:

Laravel, javascript, IMDb API

#### Challenge

- As this was an existing site, I had to work on another developer's code.

### Car parts shop

#### bestdiesel.hu

#### My role:

- Frontend and sitebuild based on given design.

#### Challenge:

- The design plan was done in three resolutions and I was expected to make a pixel perfect website.

## PERSONALITY

### Growth mindset

I consider that the continuous improvement is very important in all areas of life.

### Flexibility

I adapt easily for different people and conditions.

### Emotional intelligence

I understand and respect the feelings of others.

### Precision

Once I have seen the big picture, I am happy to pay attention to the precise elaboration of the details.

## FREETIME

### Theater

Mainly alternative and interactive plays.

### Italki

Speaking and learning from native tutors.

### Classical guitar

I used to play guitar and I got back into it during the "stay home" period.
